### Live Well Collaborative

Cincinnati, OH | Jan 2020–June 2020  
Communication Design Co-op | Full & Part-time  
Worked on multidisciplinary teams to complete design  
research, concept ideation, and concept refinement for  
clients such as UC Health, Cincinnati Children's Hospital,  
and Boeing.

### DAAP Print & Photo Lab

Cincinnati, OH | Jan 2019–Dec 2019  
Student Worker | Part-time  
Print technician dealing with both small and large  
scale printing and plotting. Maintain photographic  
and video equipment ranging from sound and video  
to traditional darkroom materials.

### DAAP Office of Non-Academic Programming

Cincinnati, OH | Jan 2019–Dec 2019  
Director's Assistant | Part-time  
Design and management of marketing components  
of college events such as DAAPcamps, DAAP Fashion  
Show, DAAP Alliance, and Special Project Outreach.  
Assist Outreach Director on-site at special events to  
help manage and direct events.

### Crown Equipment Corporation

New Bremen, OH | Aug 2018–Aug 2019  
Interaction Design Co-op | Full-time  
Researched, designed, and prototyped new concepts  
for both web applications and truck interfaces.  
Conducted user-testing with operators and safety  
managers in the field. Attended weekly collaborative  
meetings with engineering and development teams.

June 2012–Present
